

No dental insurance, no problem! The Dixie Discount Plan is a dental membership plan that offers discounted dental services. Exams, Cleanings, Routine X-Rays, and Fluoride treatments at ***no cost***. Plus 15% ***discount*** on most other services (crowns, fillings, implants, bridges, extractions, root canals, whitening, dentures, partials, nitrous oxide (laughing gas)). All for a modest fee of \$299 annually for an adult. See all of the details on the attached chart. *Fees for services must be paid at time of service. ** Orthodontic services are not included in discount program.

- The Dixie Discount Plan is not dental insurance. It can only be used at our practice.
- Non-transferable.
- Cannot be combined with other insurance or offers.
- Discounts do not include treatment prior to joining plan.
- Plans are for healthy gums only. Periodontal disease will need to be treated and then can join the periodontal maintenance plan.
- No refunds will be given. It is the member's responsibility to ensure the plan is utilized during the 12-month membership period.
- No deductibles.
- No waiting periods.
- No age limits.
- No maximums.
